POTENTIAL HAPPENING SOON AT TRUMP NEWS CONFERENCE - TWITTER GOING CRAZY RIGHT NOW Anonymous ID:iODx/DDw Mon 10 Aug 2020 14:26:32 No.271986188

It's scheduled for 5:30 PM EST (so in a few minutes). Trump is allegedly going to drop some GIGANTIC news. It is unknown what it may be related to at this moment, but social media is going crazy trying to figure out what's going on. Some people think it has to do with the Biden campaign.

Hello, I'm here to ask my fellow Catholic Anons a question. From what I have read, and my own experience, the Catholic Church is one of the few traditionalist organizations in the world today and is probably closest to Christ's original word. I have even contemplated entering a career in theology. However as much as I like my faith, how do you guys cope with the fact the Vatican promotes globohomo. I understand there is a thing such as Papal Infallibility and such, however the current Pope seems to betray the tradition.

What I always say, but Christians are too brainwashed to notice what their religion really is.
All Christianity is a cover for pedophiles under the leadership of the Jesuits.
Of course, they always blame pedophiles on "Satanism" while their whole religion is full of pedophile acts and sacrificing people.

Catholic Christianity is cucked in the first place and also, as Evola puts it, a lunar-demetric religion that appeals to the mases. In a real traditional optic we should try to find a Solar, uranic set of beliefs

I was clear enough, and I ask for forgiveness. Most of the Bible is correctly translated, but the most subtle, and often most important parts, are not. There is a holy spirit, and, once you learned enough, you will easily find what is genuine, and what is an undesirable add. Anyway, I must sleep since I work tomorrow, but I wish you to find peace in your soul. Because our Lord will grant it to you if you try. And then, there are no blackpills, only lucidity. No hate or submission.

2 hours from now there will be a press conference by Trump that will kick off a week of happenings.
This is everything we hoped for.
Big news about Biden's VP but it won't come from Biden himself.
You'll learn why soon.
2 hours until the press conference.
